Camp Scholarships available upon request. Contact us!

- Join us for an inspiring and relaxing family weekend that offers a variety of activities for children, adults and the entire family,
- Parents are responsible for health care throughout the program. An EMT will be on site to assist with medical emergencies. Please consider remoteness, camp environment, walking distances, etc.
- Parents are responsible for the supervision of their children under the age of 5 years old.
- During parent group time, a play group for ages 3-4 will be provided in the same building.
- Please contact us for special needs/concerns. We want to ensure we can accommodate your needs.

"This camp gives my kids the opportunity to play with other kids and normalize heart defects for them.

For myself, it gives me the time to relax, de-stress, connect with my family and other families.

The staff are crucial as I know my kids are safe and loved."
