Join us lakeside, for a fun and relaxing weekend that offers a variety of activities for children, adults and the whole family.

Parents are responsible for health care for the duration of the program. An EMT will be on site for any medical emergencies.

Children under the age of 5 years need to be supervised by a responsible adult throughout the weekend.

During the designated parent group time, there will be a playgroup for ages 3-4 and activity options for children ages 5+.

Please contact us with any questions about mobility/special needs.

We want to ensure that we can accommodate your specific needs.

“What an amazing opportunity to meet many families that can relate to us and our experiences. While no CLOVES person is exactly the same, we find comfort helping and networking with others who are on our journey.”

**Register online:**
