

Zebra Crossings statement concerning COVID-19

As coronavirus (COVID-19) continues to impact our community, Zebra Crossings (ZC) has responded by pivoting to virtual programs. We are deeply concerned with the health and well-being of all of the participants and staff in our communities and are monitoring the situation closely.

We will not be running any in person programs through March 2021.

We will continue to provide our youth and teens with a variety of opportunities to connect for online activities and conversations, while we continue to endure and stay focused on our mission for when we can reconvene in person.

Virtual Programs we are currently running include:

[Zebra Zoom \(all ages\)](#)

[Asthma Pilot Program \(ages 10-12\)](#)

[Teen Leadership Series \(ages 13-16\)](#)

Continue to check our [Program Calendar](#) for upcoming virtual programs and events as we are continuously adapting what we offer to meet the needs of our community. Please contact meg@zebra-crossings.org with questions or inquiries.

We encourage you to find more information through these trusted sources:
